## Exhibition

We invite you to try out products and services that have acquired Halal certification or lack certification but follow Halal guidelines. Many Japanese businesses will have exhibits, such as those by restaurants and lodging facilities, those for Japanese souvenirs and culture demonstrations, and those for Japanese-designed Muslim fashion.

## Muslim Festival

-Sub Event-

We will introduce Muslim countries and culture as part of our aim for mutual understanding between Muslims and the Japanese via international exchange.

We will also hold a Muslim Fashion Show mainly featuring Japanese designers.
